

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

The Department of Natural Resources is providing this report to satisfy the requirements of the "Procedures Concerning Certain Licenses Act", IC 14-11-4, and its associated administrative rule, 312 IAC 2-3. The application files are available for public inspection at the Division of Water's office in Indianapolis. Please contact the Division's Technical Services Section at (317) 232-4160 or the toll free number 1-877-928-3755 to make an appointment for file review. Photocopies may be made for a nominal charge of \$0.10 per 8 1/2 " X 11" copy.

A pre-action public hearing on an application may be requested by filing a written petition with the Director, Division of Water:

Michael W. Neyer, P.E., Director
Division of Water
Room W264
402 West Washington Street
Indianapolis, Indiana 46204

For a petition to be considered valid it must:

1. Contain the typed or legibly printed name and complete mailing address of each petitioner;
2. Be signed by a minimum of 25 individuals who are at least 18 years old and either reside in the county where the project will take place or own real property within 1 mile of the project site;
3. Affirm that each signatory to the petition satisfies the requirements of item 2; and
4. Identify the application for which the public hearing is being requested either by the application # or the applicant's name and the project description.

A petition which does not meet these requirements will be considered invalid and the hearing request will not be granted.

A person may request that the Department provide written notice of its action on an application by filing a written request with:

Division of Water
Room W264
402 West Washington Street
Indianapolis, Indiana 46204

The request must identify the application by either the application # or the applicant's name and the project description.

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

Application # : FW-22753

Stream : Baugo Creek

Applicant : Elkhart County Drainage Board
County Surveyor
4230 Elkhart Road
US 33 at County Road 26
Goshen, IN 46526-5823

Description : About 50' of the eroded right (east) stream bank at the downstream end of the project site will be repaired using practices 504 and 510 of the Indiana Drainage Handbook. A 50' (long) by 6' (wide) in-channel alluvial deposit at the upstream end of the project site will be removed with a hydraulic excavator. The material will be placed on the east overbank, spread to a tillable condition with the excavator or bulldozer, and all disturbed areas will be seeded. Details of the project are contained in information and plans received at the Division of Water on February 25, 2004.

Location : Approximately 250' downstream (north) of the Madison Road (CR32) stream crossing and continuing 250' downstream
DOWNSTREAM: near Wakarusa, Olive Township, Elkhart County
SE¼, Section 10, T 36N, R 4E, Wakarusa Quadrangle
Quad Code: 4108651
UTM Coordinates: Downstream 4603600 North, 579601 East
UPSTREAM:
UTM Coordinates: Upstream 4603600 North, 579601 East

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

Application # : FW-22757

Stream : Solomon Creek

Applicant : John and Cynthia Adam
15463 County Road 46
Goshen, IN 46526-9301

Description : A new bridge will be constructed over the stream to carry a private access road across the stream. The new structure will be a single-span bridge constructed using two 8' x 44.5' railroad car beds on concrete footers. The structure will have an out-to-out length of 44.5' and a clear roadway width of 17'. Details of the project are contained in information and plans received at the Division of Water on February 26, 2004.

Location : Approximately 1700' upstream (southeast) of the confluence with the Elkhart River
near Fairfield, Benton Township, Elkhart County
SE¼, SE¼, SW¼, Section 7, T 35N, R 7E, Milford Quadrangle
Quad Code: 4108547
UTM Coordinates: Downstream 4594225 North, 603417 East

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

Application # : FW-22762

Stream : Bowman Creek

Applicant : City of South Bend
Carl P Littrell, PE
1316 County-City Building
South Bend, IN 46601

Description : The existing 4' x 14' x 150' rigid frame concrete box culvert was repaired under emergency conditions. One traffic lane of the culvert collapsed and required a deck repair. The upstream and downstream inverts were not changed. Within the confines of the existing culver an existing 12" utility line with it's invert located on the stream bed was replaced with a 12" utility line below the stream bed. Details of the project are contained in information and plans received at the Division of Water on March 1, 2004.

Location : South Main Street crossing
near South Bend, Portage Township, St. Joseph County
SE¼, NW¼, NW¼, Section 24, T 37N, R 2E, South Bend West Quadrangle
Quad Code: 4108663
UTM Coordinates: Downstream 4610795 North, 562372 East

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

Application # : FW-22801

Stream : Grassy Creek

Applicant : Simon Property Group
Bill Ranek
115 West Washington Street
Indianapolis, IN 46204-3464

Description : An existing Lazarus Department Store building will be demolished and replaced with a new 220' x 227' Dick's Sporting Goods Store in the same location. The existing parking lot will be modified with new parking lot islands and new parking areas. Details of the project are contained in information and plans received at the Division of Water on March 25, 2004.

Location : Along the right (west) bank, approximately 1500' upstream (north) of the East Washington Street (U S Route 40) stream crossing
at Indianapolis, Warren Township, Marion County
SE¼, NW¼, Section 4, T 15N, R 5E, Cumberland Quadrangle
Quad Code: 3908578
UTM Coordinates: Downstream 4403470 North, 586995 East

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

30 Day Public Notice Report

Application # : FW-22803

Stream : White Lick Creek

Applicant : Brownsburg Parks and Recreation Department
Brian Rose
80 East Vermont Street
Brownsburg, IN 46112-1200

Description : A 6860 square foot area will be filled in the north floodplain and a 24980 square foot area will be filled in the south floodplain of White Lick Creek to replace the existing pedestrian bridge approaches with ADA accesible bridge approaches. The fill will vary in depth from 1" on the top of the existing approaches and existing ground tie-ins to approximately 4' on the center of the existing approaches. It will be set at varying distances from the top of the bank, from 11' to 19' on the north side and 30' on the south side, and will have 3:1 sideslopes. The finished elevation of the fill will match the existing approach elevations of 867', NGVD. The asphalt approaches and rerouted drive and parking will be constructed on top of the completed fill. The fill material will be brought in from offsite. The existing shoreline will be maintained at its existing slope and the existing rip-rap will be maintained and filled in as necessary. Details of the project are contained in information received electronically at the Division of Water on March 26, 2004.

Location : At the existing pedestrian bridge in Arbuckle Acres Park in Brownsburg, IN.
At Brownsburg, Lincoln Township, Hendricks County
Section 11, T 16N, R 1E, Brownsburg Quadrangle
Quad Code: 3908674

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

30 Day Public Notice Report

Application # : FW-22804

Stream : Pleasant Run

Applicant : City of Indianapolis, Department of Public Works
William H Chappell, PE
Division of Engineering
604 North Sherman Drive
Indianapolis, IN 46201-2563

Description : The proposed maintenance project for the existing 3 span pedestrian bridge over Pleasant Run includes removing the steel-beam span superstructure and the north stairways and widening in-kind with a new steel-beam superstructure and reinforced concrete stairs. The proposed superstructure will be 7'-2" wide and provide a 6' pedestrian travelway. The existing south stairway will remain in place. New tubular steel handrail will be installed along the structure. Class 1 riprap will be placed along the north bank to restore the bank profile to that shown on previous repair plans dated October 17, 1980. Details of the project are contained in information received electronically at the Division of water on March 30, 2004.

Location : The pedestrian bridge is located north of T.C. Howe Academy and provides access to the school
at Indianapolis, Center Township, Marion County
Section 4, T 15N, R 4E, Indianapolis East Quadrangle
Quad Code: 3908671

Statute/Rule : Flood Control Act, IC 14-28-1, with the associated Flood Hazard Area Rule, 312 IAC 10

30 Day Public Notice Report

Application # : PL-19762

Lake : Fish Lake

Applicant : Joseph A Hoffman
1165 South 495 East
LaGrange, IN 46761-9595

Description : A new underwater beach will be constructed in front of the property of the applicant on Fish Lake to provide an area suitable for swimming. The beach will consist of a 4" - 6" thick layer of 7/64 inch clean, washed pea gravel placed directly on the lakebed. The beach will begin approximately 15' west of the eastern property line and will extend westerly across 20' of the 100' frontage. It will have a maximum lakeward projection of 10' or a depth of 5' below the average normal level of the lake. Details of the project are contained in information received electronically at the Division of Water on March 25, 2004.

Location : north shore of Fish Lake approximately 1 mile south and 5 miles east of LaGrange, IN , accessed via the property at 1165S 495E, LaGrange, IN
Near LaGrange, Bloomfield Township, LaGrange County

Statute/Rule : Lakes Preservation Act, IC 14-26-2, with the associated Public Freshwater Lake Rule, 312 IAC 11

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

Application # : PL-19764

Lake : Lake George

Applicant : City of Hobart
Mike Farrell
111 Old Ridge Road
Hobart, IN 46342-4357

Description : Bioengineering is proposed along 2,115' of the eroding shoreline of Lake George within the limits of Jerry Pavese Park. The project includes four treatment types including 1) 640' of 12-20" diameter preplanted coconut fiber logs; 2) 1,380' of reconstructed slope treatment; 3) 75' of repair to existing public access locations; and 4) 20' of reconstructed boat launch. Approximately 85' of the 2,200-foot long project area will have no treatments. The work will extend from 0.5 to 12' lakeward of the existing eroded shoreline in order to establish a minimum 1:1 slope. The total fill area lakeward of the shoreline that will be filled is 0.30 acres. A total of 1,820 cubic yards consisting of 1,300 cubic yards of rock, 455 cubic yards of clean earth, and 55 cubic yards of fiber logs will be used lakeward of the shoreline within the area designated above. The rock or fiber logs will fill all areas designated below normal water levels. The earthen fill will be used on top of the rocks or behind the fiber logs to establish a grade for planting native prairie and shrubs on the reconstructed slopes. The approximate 10 cubic yard concrete boat launch will be 20' wide, 6" thick, and extend 31' into the water to a depth of 4'. The existing concrete boat launch will be removed. Details of the project are contained in information received electronically at the Division of Water on March 26, 2004.

Location : The project is located in Jerry Pavese Park
At Hobart, Hobart Township, Lake County
Section 31, T 36N, R 7W, Gary Quadrangle
Quad Code: 4108753

Statute/Rule : Lakes Preservation Act, IC 14-26-2, with the associated Public Freshwater Lake Rule, 312 IAC 11

Indiana Department of Natural Resources / Division of Water

30 Day Public Notice Report

Application # : PL-19767

Lake : Story Lake

Applicant : James Zimmerman
0384 CR 11
Box 62
Hudson, IN 46747-0062

Description : A wood seawall will be removed and the straight bank will be dug back at a 3 to 1 slope. A new seawall will then be constructed along the frontage of the applicant on Story Lake to deter shoreline erosion. The wall will be composed of Large limestone (rip rap) will be approximately 95' long by 4' wide. Its lakeward face will be at the (legal/average normal) shoreline of the lake. Details of the project are contained in information received electronically at the Division of Water on March 30, 2004.

Location : Lots 14 through 17, Paradise Park
near Hudson, Fairfield Township, DeKalb County
Section 3, T 35N, R 12E

Statute/Rule : Lakes Preservation Act, IC 14-26-2, with the associated Public Freshwater Lake Rule, 312 IAC 11
